EMPLOYEE ANNOUNCEMENTS

Kent, WA – July 2010

Morse Industries is pleased to announce the addition of Tracy Tughan as Purchasing Manager. Tughan was previously the Director of Private Label Operations for a nationwide hosiery manufacturer where she drove improvements in supply chain and operations management. Tughan will be responsible for the purchasing function including logistics, vendor relations, and product development.

Jeremy Nolan was recently promoted to Inside Sales Manager at Morse Industries, a national supplier of architectural metals and railing. Nolan started with Morse Industries four years ago as an inside sales specialist. His experience and product knowledge will contribute leadership and expertise to the customer service and inside sales team.

Jonathan Henning has joined the Inside Sales team at Morse Industries as Inside Sales Specialist. Henning was previously with T-Scan LLC managing client accounts. His background in customer service is a welcomed asset to the team at Morse.

About Morse Industries

their business through quick turnaround, a wide variety of high quality products, skilled expertise in their products and applications and a commitment to professionalism. Morse Industries bases their success on finding the products customers need, when they need them, from one central source. Visit Morse Industries at www.morseindustries.com.
